# Rural Ambassador

Previously known as the Miss Show Girl competition, Rural Show Ambassador aims to showcase entrants' confidence, personality and presentation. All entrants are encouraged to wear what they feel is appropriate to attend an agricultural show. Sections, ranging from 2 years of age and up have been renamed with some of the age groups being extended. We have a new section called Junior Rural Ambassador which is open to both male and female entrants allowing them the opportunity to experience what it takes to become a Rural Ambassador.

The Rural Ambassador program aims to recognise, develop and celebrate young leaders in our communities. Entrants will need to demonstrate their knowledge and participation within their community and agricultural show movement. Winners of the Rural Ambassador will be allowed the chance to participate in the State Rural Ambassador where they may get the opportunity to represent the state at one of the Royal Shows nationally.

If you know of a young person aged 19 - 28 years that demonstrates leadership, strives to be involved in our community and knowledge of the agricultural show movement then get your nominations in today.

Full criteria and entry forms are available from the Show Office
